

CPR TRAINING & CERTIFICATION

All Professional Dental Services' CPR Training programs are provided at your location to save your staff's travel time.

Our CPR Certification is provided by the AHA to meet the requirement of most advanced dental programs.

CPR BLS-HCP BASIC LIFE SUPPORT FOR HEALTHCARE PROVIDERS

For medical professionals or medical students who do not have a current healthcare provider card. This course is for individuals who work in a healthcare setting. The training session lasts 2 to 4 hours (depending on the number of students).

Per Student **\$100.00***

HEARTSAVERS CPR

For lay rescuers who have a duty to perform CPR but do not work in a healthcare setting: Teachers; Parents, Security Staff, Personal Trainers, and Daycare Providers. The training session lasts between 2 to 4 hours (depending on the number of students).

Per Student **\$75.00***

SKILLS CHECK-OFF

For Healthcare Providers and Heartsavers: Provided when a participant has completed the on-line portion of the course and prints out the completion certificate.

This is one-on-one skills only check-off session. If the participant is unable to perform the skills in accordance with the AHA guidelines, the cost of this course will be applied to a traditional CPR course and lasts about 1 hour.

Per Student **\$55.00***

** Special rates are available for groups of six or more students.*

The AHA (American Heart Association) will issue a 2-year Certification Card upon completion of the PDS CPR Training program. The CPR Card can provide CEU's.
